

PALASH MISHRA

+91 7999268563 | palasmishra54@gmail.com | Guna, M.P.

EDUCATION

- ❖ B. TECH (CSE) | Jaypee University of Engineering and Technology Guna M.P. CGPA 8.6 | (2024)
- ❖ XII(CBSE) | Christ Senior Secondary School Guna M.P. Percentage 79.6 | (2020)

EXPERIENCE

Project Based Internship

- ❖ Doctors' Appointment System | 1stop in association with WORINWELL (Jun'22-Jul'22)
This project aims to develop a working and interactive website through which a patient can make an appointment with an appropriate doctor. ([Link](#))
 - Html, CSS, JavaScript, Bootstrap, Laravel Framework, XAMPP server.

Academic Projects

- ❖ सब local
सब(Support and Benefit from Local) Local is a web app developed for connecting local shops to their regular customers online mode and thus also maintaining social distancing, here shops can ask for a donation if they really need some financial help, and shops can also put in up advertisements for offers on the website.
 - Team Project
 - My contribution: Dealing with styling the project using CSS and connecting the database using MongoDB.
- ❖ Delhi-Metro-Project
This project finds the effective cost and time by choosing the shortest path among different metro lines using the Dijkstra algorithm. *Dijkstra's Algorithm* is used to find the shortest path between nodes in a graph which in this case represents a network of metro stations. ([Link](#))

Programming C\C++

- ❖ Log2Base2 (May'21-May'22)
 - Learned Data Structures & Algorithms.
- ❖ Coding Blocks (May'01-Nov'01)
 - Learned Various techniques used in Competitive Programming.
- ❖ Practicing Competitive programming Questions on various coding platforms.
 - Leetcode[Q-236], Codechef[Q-178], Codeforces[Q-53], GFG[Q-106].

POSITION OF RESPONSIBILITY

- ❖ Member | VR|AR Club @JUET
 - Get to know about various things in Virtual and Augmented Reality. [III Sem]
 - Learned about Unity Software and Vuforia Engine.
 - Project: AR Book ([Link](#))
- ❖ College Representative | Mood Indigo @IIT Bombay ([Link](#))

CERTIFICATIONS

- ❖ Certificates of Participation ([Link](#))
 - Inmovidu&1stop, Flipkart Grid 3.0,4.0,5.0 Log2Base2
 - AI tools Workshop- Be10x
 - Ultimate guide to effective communication
- ❖ Coursera – sponsored by Goldman Sachs
 - Accelerated Computer Science Fundamentals
- ❖ Microsoft Technology Associate ([Link](#))
 - Introduction to Python Programming

HOBBIES

- ❖ Football | Chess | Gaming
